

Zorro Rojo

Overview:

Situated in the quiet beach town of Las Peñitas, this remodeled beachfront home is perfect for a relaxing, tropical beach vacation. Las Peñitas is known for its long stretch of beautiful sandy beach, its low-key vibe, and breathtaking sunsets. This is not a mainstream tourist destination, but a safe, tranquil, friendly beach community of a few expats and Nicaraguans alike. There are plenty of restaurants and activities such as horseback riding, fishing, surfing, and nature tours. However, a quick 15 minute car ride to Leon, brings more conveniences like a movie theater, supermarkets, banks and international restaurants as well as architectural attractions, a botanical garden, and a world heritage site.
